

**Who's Not At The Table?: Building Research Capacity for
Underserved Communities in Engineering**
Oct 30 – Nov 1, 2016 Clemson, SC

Handout # 6 (b)
Data Analysis and Concept Mapping
Report Out to the Large Group

Group Number:

Assigned Conference Thread:

Major themes name and what they mean to your group:

Individual, distinct or invisible voices:

Summary: Overall recommendations and considerations based on your data and the entire conference experience.
